

Policy 5.17 - Tobacco Free Campus "Philosophy"

"Lake Superior College is committed to creating a clean, safe and healthy learning and working environment, for all students and employees of the College."

**So we fired the school nurse,
installed 10 new vending
machines, and banned smoking.
1 out of 3 aint too bad.**

LSC goes smoke/rights free: August 24, 2009

**This message was not posted with permission
because it's pretty obvious that no one cares what we think.**
